

Restore Tray

Designer: **Mika Tolvanen**

Manufacturer: **Muuto**

£75

DESCRIPTION

Restore Tray by **Mika Tolvanen** for **Muuto**.

Designed in 2009, Muuto's original Restore basket is now available in a range of different shapes and sizes. The Muuto Restore tray combines the purity of purpose with a process for manufacture that recycles waste.

This generous and practical tray is made of a soft polymer felt composed of recycled PET bottles. Ideal for storing all manner of household items, the new smaller sized Restore Tray fits onto shelves or desktops to help organise your life.

DIMENSIONS

40w x 31d x 12cmh

MATERIALS

Soft polymer felt composed of recycled PET bottles.

The Restore tray is available in a range of colours.
