

70/70 Table

Designer: **TAF Architects**

Manufacturer: **Muuto**

£1,495

DESCRIPTION

70/70 Table by **TAF Architects** for **Muuto**.

"The 70/70 table is a study in geometric forms identifying the dimensions for a well-balanced table. It has an almost anonymous expression but with careful detailing. The table is based upon two cast aluminium squared frames with the dimensions 70 x 70 centimetres. The simple Scandinavian aesthetics balanced with the warmth from the layered wood adds personality to the table with multiple functions, from dining table to home office." TAF Architects.
