

## Cover Armchair Leather

Designer: **Thomas Bentzen**

Manufacturer: **Muuto**

£585

## DESCRIPTION

**Cover Chair Leather** by **Thomas Bentzen** for **Muuto**.

The Cover chair is Thomas Bentzen's timeless 2013 reinterpretation of the classic wooden chair. A solid wood frame forms a robust and hardwearing base while the shell and armrests are formed from thin form-pressed plywood.

This personable and versatile chair is ideal for dining tables and desks in domestic settings - and equally at home in contract interiors.

## DIMENSIONS

56.5 x 46d x 76cmh

Seat height: 46cm

Seat width: 45cm

Armrest height: 69cm

## MATERIALS

Seat and shell are made from oak veneer and legs of solid oak.

Available in all-wood version or with a seat upholstered in leather, colour-matched to the chair frame. See 'More products in this range' below for all-wood and fabric options. This version is available in black, dark beige, green, midnight blue, oak, or stained dark brown base.

Available upholstery in a range of leather, grouped according to price. Please view the pdf in the Product Downloads section for detailed upholstery information and swatches. Please enter your preferred upholstery finish in the text box.
