DESCRIPTION

Cover Armchair by **Thomas Bentzen** for **Muuto**.

The Cover armchair is Thomas Bentzen's timeless 2013 reinterpretation of the classic wooden chair. A solid wood frame forms a robust and hardwearing base while the shell and armrests are formed from thin form-pressed plywood.

A personable and versatile chair which is ideal for dining tables and desks in domestic settings - and equally at home in contract interiors.

Available in all wood version or with a seat upholstered in fabric or leather, colour-matched to the chair frame. See 'Products range' below for upholstered options.
