70w x 70d x 95cmh

70w x 70d x 105cmh

MATERIALS

The tabletop and base are made from galvanized steel with a weather-resistant deep matt, UV-resistant powder coated finish, making the table suitable for outdoor use. Plastic glides for outdoor use.

Steel is an alloy of iron with carbon. Powder coated steel has a subtle, textured expression and elegant feel while adding durability to the design and making it more resistant to corrosion. Powder coated steel is also highly chip resistant.
