

Linear System Accessories

Designer: **Thomas Bentzen**

Manufacturer: **Muuto**

£69

DESCRIPTION

Linear System by **Thomas Bentzen** for **Muuto**.

The Linear System Series allows you to evolve with your furniture. Cater to the needs of the modern workspaces through its system of configurable designs across tables, lighting, screens and trays alongside a custom integrated power solution, allowing you to tailor the design to your exact needs.

These accessories are designed specifically for the Linear System table. Please view the tables **here**. Mix and match with accessories to make a bespoke workspace.

A PDF guide is attached to help you select compatible components. Contact us **here** with any queries.

MATERIALS

Trays and screens in a natural oak finish.

Lights and power outlets available in black or grey.

Only the Linear System Screen 125 cm / 49.2" can be mounted across the tables.

The Linear Table Lamp has one USB-C plug.

Please be aware that the Linear Mounted Lamp and Table Power Outlet, both designed for the Linear System Series, have a special power solution with special plugs.

Each Distribution Block has five outlets to which up to five Linear Mounted Lamps or Linear System Table Power Outlets can be plugged in. The Extension Kit must be connected to the Power Kit. An Extension Kit has no standard plug.

See below for compatible power packs for table sizes:

For a 240 table with power outlets or lights you need Power Kit (1 pcs) 150 cm.

For a 240/120 table with power outlets or lights you need Power Kit (1 pcs) 150 cm and Power Extension Kit (1 pcs) 200 cm.

For a 240/240 table with power outlets or lights you need Power Kit (1 pcs) 150 cm and Power Extension Kit (1 pcs) 250 cm.

For a 240/240/240 table with power outlets or lights you need Power Kit (1 pcs) 150 cm, Power Extension Kit (1 pcs) 250 cm and Power Extension Kit (1 pcs) 250 cm.
