

Linear System Tables

Designer: **Thomas Bentzen**

Manufacturer: **Muuto**

£2,149

DESCRIPTION

Linear System by **Thomas Bentzen** for **Muuto**.

Designed in 2020, the Linear System Series allows you to evolve with your furniture. Cater to the needs of the modern workspaces through its system of configurable designs across tables, lighting, screens and trays alongside a custom integrated power solution, allowing you to tailor the design to your exact needs.

This listing is for the tables only. Please see the **Linear System Accessories** listing for its compatible shelves, screens and lights. Mix and match with accessories to make a bespoke workspace.

A PDF guide is attached to help you select compatible components. Contact us **here** with any queries.
