

## The Dots Hook, Oak

Designer: **Tveit and Tornoe**

Manufacturer: **Muuto**

£21

## DESCRIPTION

**The Dots Hook, Oak** by **Tveit + Tornoe** for **Muuto**.

Designed by Tveit and Tornoe in 2007, The Dots is a contemporary hook with a gently rounded profile, ensuring that the clothes hung on them are not stretched out of shape.

The designers describe The Dots as "a characterful little family" and a "friendly addition to any wall". The hooks lend an organic appearance to their environment and can be arranged individually or clustered to significant effect.

Supplied with fixing screws.

Please note this item can only be ordered in multiples of 2.
