DESCRIPTION

Visu lounge chair by **Mika Tolvanen** for **Muuto**.

"Visu lounge is a natural continuation of the first Visu chair. The idea was to create a lounge chair, which is extremely comfortable – even without upholstery – and I believe that we have succeeded in this quest. The proportions of the chair are exactly right, and it is neither too big nor too low. The chair is able to combine an elegant curve with a compact and simple form." Mika Tolvanen.
