MATERIALS

Crafted from 100% pure New Zealand wool, renowned as the whitest, cleanest, and most natural wool on the planet. The wool's luxurious softness is a result of the high-altitude grazing and abundant vegetation that nourishes the herds. The product is cruelty-free.

Hand loomed Dhurrie rugs. The manual weaving process involves a vertical or horizontal loom that plays with the intersection between weft and warp.

Firm, resistant and without knots, which makes Dhurrie rugs clean and easy to maintain .
