

## Oblique Rug, 2023

Designer: **Matthew Hilton**

Manufacturer: **Nanimarquina**

£3,710

### DESCRIPTION

**Oblique Rug** by Matthew Hilton for **Nanimarquina**.

Hilton offers a modern take on the tradition of layering rugs by cleverly arranging oblique shapes in varying positions. The result is a refined geometric look that adds depth to any room.

The rugs are handwoven with 100% Afghan wool, showcasing different pile heights achieved through hand-knotted and sumak techniques. This creates a sense of movement that naturally catches the eye.

The collection features understated patterns in natural hues that can effortlessly fit into any space. Inspired by the earth, the minimalist palette includes tones in pink, beige, grey, and ochre.

Please note, custom sizes available on request. **Contact us** for details.
