

Idlhane candleholder, 2015

Designer: **Anderssen and Voll**

Manufacturer: **Nedre Foss**

£65

DESCRIPTION

Idlhane candleholder by **Anderssen & Voll** for **Nedre Foss**.

In 2015, Anderssen & Voll designed the interior of the Nedre Foss Gård, a stylish restaurant in Oslo. The Idlhane candleholder was as an extension of the project, introduced as the first piece from the Nedre Foss collection.

'Ild' means fire and 'hane' rooster in Norwegian. The sculptural candlestick has an unusual and expressive shape which resembles a bird.

An attractive addition in any interior, the cast-iron candleholder is perfect with or without candles.
