

Untitled Reading Floor Light

Designer: **Bernhard Osann**

Manufacturer: **Nemo Lighting**

£409

DESCRIPTION

Untitled Reading Floor Light by **Bernhard Osann** for **Nemo Lighting**

The Untitled Floor lamp is a flexible, functional light available with a choice of three shades, cone, spot, or linear. Each shade allows for different light diffusion to suit any aesthetic.

This lamp is suited to be placed by a sofa or armchair as a reading light. The structure of the lamp is created from extruded aluminium with joints for flexible positioning of the light and a dimmer on the stem of the lamp.

The Untitled Floor lamp is part of the Untitled collection from Bernhard Osann for Nemo Lighting.

DIMENSIONS

With linear shade: 73w x 114cmh

With spot shade: 60w x 114cmh

With cone shade: 65w x 114cmh

Cable length: 2m

MATERIALS

Extruded black aluminium, polymer filled with glass fibers.

Linear

Source: LED board

Total power: 7W

Emission: orientable

Switching: dim on board

Tension: 110/240V

Color temperature: 2700K

Luminous flux: 485lm (luminous output)

Typ CRI: 90

Net lamp weight: 5kg

Spot:

Source: LED spot 40°

Total power: 6,5W

Emission: orientable spot

Switching: dim on board

Tension: 110/240V

Color temperature: 2700K

Luminous flux: 395lm (luminous output)

Typ CRI: 90

Net lamp weight: 5kg

Cone:

Source: LED spot 40°

Total power: 6,5W

Emission: orientable spot

Switching: dim on board

Tension: 110/240V

Color temperature: 2700K

Luminous flux: 395lm (luminous output)

Typ CRI: 90

Net lamp weight: 5kg
