

Fox Wall Light

Designer: **Bernhard Osann**

Manufacturer: **Nemo Lighting**

£644

DESCRIPTION

Fox Wall Light by **Bernhard Osann** for **Nemo Lighting**.

The Fox Wall light is the latest addition to the Nemo Lighting Fox collection. It shares the same aesthetic and essential functionality as the floor light and provides a dynamic and playful quality to its environment.

It features a black-painted steel structure, a bent arm that can move from side to side, and an aluminium shade that can be rotated to alter the orientation of the light beam.

The Fox wall light emits warm, diffused light, suitable for various interior settings. It comes with an optional honeycomb filter to reduce glare and diffuse the light.

"All my designs are dynamic, I playfully incorporate movement, flexibility and balance on different levels. I simplify the objects and reduce the material input to a minimum and hence expose these dynamics". - Bernhard Osann.

DIMENSIONS

150w x 3.2d x 100cmh

Cable length: 3.5m

MATERIALS

Matte black painted steel, aluminium.

Spot orientable 90°, body orientable 180°, optic 60°.

Dimmer on board.

Light source: 15W LED, 110V/240V, 839lm/2700K dimmable

IP20.
