

Lampe de Bureau Reading

Designer: **Charlotte Perriand**

Manufacturer: **Nemo Lighting**

£469

DESCRIPTION

Lampe de Bureau Reading by **Charlotte Perriand** for **Nemo Lighting**.

An evolution of a wall-mounted lamp designed by Charlotte Perriand in 1965, the Lampe de Bureau Reading is a floor light with the same defining characteristics: a cylindrical lamp shade with steel detailing.

The shade, crafted from translucent moulded glass, appears pure and brilliant on the outside, while the white interior preserves the natural colour of the light.
