DESCRIPTION

Linescapes ceiling light by **Nemo Lighting**

Linescapes is a range of innovative floor, ceiling and wall lights by Nemo Studio. Designed with efficiency and versatility in mind, the strip light emits a diffused light via linear LED, maximising available light intensity whilst minimising power consumption. Side emission and a rotating body allow for light to be directed according to need.

The light rotates through 340 degrees for easy adjustability.

Dimmable, 1-10v.

DIMENSIONS
