

Tru Horizontal Suspension Pendant

Manufacturer: **Nemo Lighting**

£1,522

DESCRIPTION

Tru Horizontal Suspension Pendant by **Roberto Paoli** for **Nemo Lighting**.

Conceived by the Italian designer Roberto Paoli, Tru is a family of floor and suspension lamps made from extruded aluminium. The horizontal suspension pendant features a double linear LED light source with either total downlight or a combination of uplight/downlight.

The minimalist light is available in matt white, matt black or titanium grey and is equipped with a dimmer for light control. It is suitable for many residential and commercial spaces and works well when placed above kitchen islands, workstations, and long dining tables.
