DESCRIPTION

Edi High Table by **Claesson, Koivisto + Rune** for **Nikari**.

Designed in 2018 as part of the Nikari & Friends collaboration, the Edi High table is suited to both home and office. Crafted from solid ash or oak and finished with a natural oil mix, the table has a minimal profile that accentuates the natural qualities of the wood.

Part of the Skandinavia collection, the Edi table is designed considering commercial use, ensuring the most durable structures while following the philosophy and practices of traditional Nordic cabinetmaking.

Available in four standard sizes, the Edi table can also be ordered in custom sizes. All Edi High tables are made to order and constructed with exceptional craftsmanship.

twentytwentyone is the exclusive agent of Nikari in the UK.
