December Lounge Chair

Designer:**Jasper Morrison and Wataru Kumano**

Manufacturer:**Nikari**

£2,551

DESCRIPTION

December Lounge by **Jasper Morrison + Wataru Kumano** for **Nikari**.

An informal, low-stature lounge chair constructed from high-quality, natural materials, the December chair offers exceptional comfort with its gently reclined seatback angle. Designed in 2016 with more generous proportions than its sister chair, the December Lounge is wider and deeper, with solid wood armrests for a relaxed look and feel.

"It's a basic but comfortable low chair with a slightly rural character and definite Scandinavian influence, the kind of chair you would have in a country house near the fire, though it could work in a city apartment or a hotel lobby just as well."
- Jasper Morrison and Wataru Kumano

For detailed technical specifications, please see spec. sheet in Product downloads.
