DESCRIPTION

Frame Low Table by **John Pawson** for **Nikari**.

In 2017, Nikari celebrated its 50th anniversary with the Storia collection, launching a range of fresh forms highlighting traditional Nordic craftsmanship techniques. Since then, the collection has continued to grow, with John Pawson's Frame Low Table joining in 2024.

The Frame Low Table features a pure, refined silhouette, characteristic of Pawson's designs. The table is available in three versions, each with its unique features: the 2/4, which has no lower shelf for a clean and minimal design; the 3/4, which has a lower half shelf, balancing aesthetics and functionality; and the 4/4, which has a lower full shelf for additional storage space.
