DESCRIPTION

Arkitecture Table by **Kari Virtanen** for **Nikari**.

A timeless piece of furniture from Nikari, the Arkitecture table features sturdy trestle legs and a solid birch wood tabletop. Designed in 1992, the durable trestle legs are used daily at the Nikari studio workshop to carry heavy loads of wooden planks.

The Arkitecture collection includes some of Nikari's most iconic pieces, each characterised by a streamlined design that celebrates the beauty of solid wood and the craftsmanship that embodies Nikari's design philosophy.
