DESCRIPTION

Perch Stool by **Wesley Walters + Salla Luhtasela** for **Nikari**.

Designed in 2021, the Perch stool is a contemporary take on the classic three-legged wooden stool. Taking unique inspiration from a round wooden door knob, Wesley Walters and Salla Luhtasela designed the stool in solid oak with a rounded seat.

The Perch stool features a characteristic T-section construction which provides strength to the base and doubles as a footrest. The rounded seat is best suited for short seating sessions.

Available in two sizes for counter or bar use.
