DESCRIPTION

Hook Pendant by Alexandra Gerber for **Nine**.

Alexandra Gerber's Hook pendant boasts a unique and minimalist design, featuring a broad, cone-shaped shade and a cylindrical fitting.

A single stainless steel hook holds the shade, creating a floating effect that adds airiness to the room. This piece is perfect for hanging above a dining table or taking centre stage in a room to impart an elegant touch to your space.

Designed for Nine in 2023, the family of geometric pendants is offered in two sizes and four distinct colours, each with a unique character; the black and white lights have a more refined presence, whilst the orange and green are more playful choices.

Please note: only the pendant in black large is in stock and available for quick delivery.
