### DESCRIPTION

**19 Outdoors Dining Bench** by the **Butterfield Brothers** for **Nine**.

The Dining Bench is part of the 19 Outdoors furniture collection, which takes inspiration from the 19 Chairs charity project that Tom and Will Butterfield initiated during the COVID-19 lockdown. Within nineteen days, the brothers skillfully crafted nineteen chairs using only wooden screws and timber. These chairs were then passed on to other talented individuals, such as Tom Dixon, Es Devlin, and Max Siedentopf, who added their distinctive touch to each chair. The final creations were auctioned off to raise funds for Age UK.

Designed in 2023, this collection shares a unified aesthetic with consistent use of materials, colours, and proportions. With a diverse range of seating options and tables, you can explore and discover designs that perfectly complement your space.

The clean-lined outdoor dining bench seamlessly blends with various decor styles while providing ample seating space for family and friends to gather together.
