DESCRIPTION

19 Outdoors Dining Chair by the **Butterfield Brothers** for **Nine**.

The outdoor dining chair is a part of the 19 Outdoors furniture collection, which draws inspiration from the remarkable 19 Chairs charity project led by Tom and Will Butterfield during the COVID-19 lockdown. Crafted in just nineteen days using wooden screws and timber, these chairs were then customised by talented artisans like Tom Dixon, Es Devlin, and Max Siedentopf. The collection was then auctioned to support Age UK.

The 19 Outdoors family has a consistent and cohesive aesthetic, using the same materials, colours, and proportions. Designed in 2023, the collection provides several seating and table options, allowing you to select designs that complement your space.

Crafted with outdoor environments in mind, the dining chair epitomises style, durability, and comfort. Its sleek design and ergonomic support ensure a pleasurable seating experience during outdoor meals.

Please note: there is a minimum order quantity of two chairs in the same finish.
