DESCRIPTION

19 Outdoors Dining Table by the **Butterfield Brothers** for **Nine**.

The 19 Chairs charity project, undertaken by Tom and Will Butterfield, served as the foundation for the 19 Outdoor Dining Table and the broader 19 Outdoors furniture collection. Within a nineteen-day timeframe, the brothers meticulously handcrafted nineteen chairs using wooden screws and timber, which were then sent off to artisans like Tom Dixon, Es Devlin, and Max Siedentopf to add their creative touch. These chairs were then auctioned to raise funds in support of Age UK.

Designed in 2023, the 19 Outdoors family has a consistent and cohesive aesthetic, using the same materials, colours, and proportions. The dining tables are available in three different sizes, ensuring that you can find the ideal fit for your space.

Each dining table in the collection is thoughtfully crafted with outdoor environments in mind. Combining style, durability, and functionality, these tables are designed to withstand the elements while enhancing your outdoor dining experience.
