### DESCRIPTION

**19 Outdoors Ottoman** by the **Butterfield Brothers** for **Nine**.

Inspired by the 19 Chairs charity project spearheaded by Tom and Will Butterfield, this ottoman embodies the meticulous craftsmanship and creativity that defined the collection.

Using only wooden screws and timber, the brothers skillfully created nineteen chairs over nineteen days. These chairs were then handed over to renowned designers like Tom Dixon, Es Devlin, and Max Siedentopf, who added their artistic touch to each piece. The resulting collection was later auctioned to support Age UK.

Following the cohesive aesthetic of the 19 Outdoors family, the ottoman boasts clean lines and a sophisticated design that seamlessly blends with various outdoor decor styles.

Designed in 2023, the ottoman can be used independently as a sitting stool or side table, or paired with other seats as a convenient footrest.
