DESCRIPTION

19 Outdoors Stool by the **Butterfield Brothers** for **Nine**.

Inspired by the 19 Chairs charity project led by Tom and Will Butterfield, the outdoor stool embodies the collection's meticulous craftsmanship and creative spirit.

The Butterfield brothers crafted nineteen chairs in only nineteen days using limited materials, precisely wooden screws and timber. These chairs were then passed on to well-known designers like Tom Dixon, Es Devlin, and Max Siedentopf, who added their creative touch to each piece. The finished collection was later auctioned off to benefit Age UK.

The stool boasts a sleek and sophisticated design that perfectly complements different outdoor décor styles, staying true to the aesthetic of the 19 Outdoors family. Its clean lines make it a great addition to any outdoor setting.
