

Landmark Side Table

Designer: **Daniel Schofield**

Manufacturer: **Nine**

£449

DESCRIPTION

Landmark Side Table by Daniel Schofield for **Nine**.

Designed by Daniel Schofield for Nine in 2023, the Landmark side table is a striking piece of furniture fashioned using a single-cast ceramic piece. The monolithic table is produced in small batches at an artisan factory in Italy, with each table being hand-glazed to produce a one-of-a-kind table.

Despite its compact size, the Landmark table has an impactful presence in any room thanks to its solid, glossy appearance.

Available in four colours to suit your interior; a soft pebble grey, a bright primary red, a deep green and a deep blue.

DIMENSIONS

32w X 32d X 44cmh

MATERIALS

Made from ceramic, a raw and durable material that is extracted without intensive procedures.

Suitable for indoor and outdoor use.
