

## Landmark Coffee Table

Designer: **Daniel Schofield**

Manufacturer: **Nine**

£670

### DESCRIPTION

**Landmark Coffee Table** by **Daniel Schofield** for **Nine**.

The Landmark Coffee Table, designed in 2023 by Daniel Schofield for Nine, is a striking piece of furniture fashioned from a single-cast ceramic piece.

Produced in small batches at an artisan factory in Italy, where each table is hand-glazed to create a unique piece, the monolithic tables are available in four colours - pebble grey, primary red, deep green, and deep blue - to match any interior.

Despite its modest dimensions, the Landmark Coffee Table has a strong presence in any room due to its dense, lustrous appearance.

### DIMENSIONS

60d x 60w x 32cmh

## MATERIALS

Made from ceramic, a raw and durable material that is extracted without intensive procedures.

Suitable for use indoors and outdoors.
