

Inline Wall Shelving

Designer: **Julien Renault**

Manufacturer: **Nine**

£269

DESCRIPTION

Inline Wall Shelving by Julien Renault for **Nine**.

The parallel arrangement of stainless steel legs and frames defines Julien Renault's Inline family. Comprising several sizes of coffee tables, a floor shelving unit, and two sizes of wall shelves, the concept for the range takes inspiration from Julien Renault's linear sketches, where taugt curves unite simple straight lines.

The minimalist shelves make a practical and attractive addition to the home and can be used for both storage and display.
