DESCRIPTION

Milk Carafe Set by Julien Renault for **Nine**.

The Milk collection designed by Julien Renault is a beautifully crafted set that includes a carafe and glasses inspired by the classic milk bottle's silhouette.

The glasses are thoughtfully designed to serve as a cover when flipped over and placed on top of the carafe, making it easy to transport and store.

The collection is made of borosilicate glass and comes in four different colours: clear, grey, aqua, and yellow.
