

Rod Bowl

Designer: **Julien Renault**

Manufacturer: **Nine**

£79

DESCRIPTION

Rod Bowl by Julien Renault for **Nine**.

Rod is a charming family of handcrafted earthenware containers thoughtfully designed by Julien Renault for Nine in 2023. Inspired by traditional pottery coiling techniques, each piece boasts a unique personality thanks to its two-tone colour palette, bringing charm and character to your space.

The Rod Bowl is ideal for creating an intriguing display and makes for a perfect fruit bowl or a captivating centrepiece for your dining table.

Mix and match with other products from the collection to create an eye-catching and decorative display.

DIMENSIONS

23.3dia x 7cmh

MATERIALS

Hand made and hand painted earthenware ceramic with coloured glaze.

Due to the handmade nature of Rod, there may be some variation between products.
