DESCRIPTION

Tee by Matteo Fogale for **Nine**.

The Tee side tables, designed by Mateo Fogale in 2023, present a compact yet contemporary solution for optimising your space. With a robust interlocking structure beneath the tabletop, they offer stability and a practical storage shelf for organising your beloved items.

The flatpack design guarantees effortless assembly, eliminating the need for tools; you simply snap the pieces together to complete the seamless setup.

These tables are meticulously crafted from premium solid oak and exude a refined expression. Available in two designs; rectangle and round.
