

## Disc Table Light

Designer: **Tim Rundle**

Manufacturer: **Nine**

£250

## DESCRIPTION

**Disc Table Light** by Tim Rundle for **Nine**.

Designed by Tim Rundle for Nine's inaugural collection in 2023, Disc family comprises a table and a wall light. The sleek, flat shade of both pieces contains an LED light and diffuser, resulting in a soft, even light that can be angled upwards to light up a table or side table.

This lamp is available in two options: a plain black finish that emphasises its shape or a brushed brass shade matched with a black base for a more elegant appearance.

## DIMENSIONS

25dia x 36.5cmh

## MATERIALS

Crafted from aluminium and high quality steel.

220-240V / 50Hz

Light source: Integrated LED, 2700K, CRI 90+, 50,000 hour+ lifetime.

Touch dimmer integrated into the base.
