DESCRIPTION

Nychair X Ottoman by **Takeshi Nii** for **Nychair X**.

The Nychair X Ottoman is a lightweight and foldable footstool devised for ease of movement and storage. Designed by Takeshi Nii in 1970, the practical piece has a functional design that has been celebrated worldwide for over 40 years.

The minimalist ottoman has a seat made from high-quality Kurashiki sailcloth, a natural and durable fabric produced using traditional techniques at a factory in Okayama Prefecture, Japan, a region known for denim making.

The Nychair X range has received numerous prestigious awards, including the Good Design Award from the Japan Institute of Design Promotion, and the Long Life Design Award from the Japan Institute of Design Promotion.

DIMENSIONS

50w x 42d x 35cmh

MATERIALS

The frame is made from stainless steel with urethane coated beech for the armrests.

The fabric seat is made from 100% cotton.

The Nychair X is designed for indoor use. It can be used outside, but needs to be stored inside when not in use.
