

Officina Chair

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Magis**

£525

DESCRIPTION

Officina Chair by **Ronan + Erwan Bouroullec** for **Magis**.

The Officina chair joins the table in the Officina range. The main characteristic of this collection designed by Ronan and Erwan Bouroullec is the use of wrought iron for the structure, which provides a raw edge to these elegant pieces and makes every single one unique through their imperfections.

Look for the Magis logo stamped on each product, vouching for their originality.

DIMENSIONS

58w x 54d x 46/80cmh

MATERIALS

Frame in wrought iron, cataphoretic treated or galvanized and powder coated in dark green, black, or grey metallised finish.

Seat and back in standard injection-moulded polypropylene with glass fibre added (suitable for outdoor use) or in polypropylene upholstered in premium-grade leather.
