

Officina Table, 2015

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Magis**

£1,927

DESCRIPTION

Officina table by Ronan + Erwan Bouroullec for Magis.

The main characteristic of the Officina table collection is the use of wrought iron for the structure, which provides a raw edge to these elegant tables and makes every single one unique through their imperfections.

The Officina collection includes tables in a wide range of sizes and tabletop options.

DIMENSIONS

240w x 95d x 74cmh

290w x 95d x 74cmh

MATERIALS

The Officina table has a frame in wrought iron, available either galvanized or cataphoretic coated and painted in grey anthracite polyester powder. Tabletop in electro-galvanised steel painted in black polyester powder. Tabletop thickness 17mm. Suitable for outdoor use.
