Officina Table

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Magis**

£1,616.67

DESCRIPTION

Officina Table by **Ronan + Erwan Bouroullec** for **Magis**.

The main characteristic of the Officina table collection is the use of wrought iron for the structure, which provides a raw edge to these elegant tables and makes every single one unique through their imperfections.

The Officina collection includes tables in a wide range of sizes and tabletop options.

DIMENSIONS

280w x 95d x 74cmh

240w x 95d x 74cmh

200w x 90d x 74cmh

90w x 90d x 75cmh

120dia x 74cmh

MATERIALS

The Officina table has a frame in wrought iron, available either galvanized or cataphoretic coated and painted in grey anthracite polyester powder. Tabletop in electro-galvanised steel painted in black polyester powder, American walnut or smoked glass.

Tables with black painted steel appropriate for outdoor use.
