DESCRIPTION

Needlepoint Grand Standard pen by OHTO

The Needlepoint Grand Standard ballpoint pen is an elegant writing instrument, its fine 1mm tip is ideal for writing or sketching.

Experience the smooth and pleasant writing journey with the OHTO GS01-07 ballpoint pen, which boasts an elegant and sturdy aluminium body. Despite its robustness, this pen feels incredibly lightweight in your hand. Its slim design allows for thin lines, but you have the freedom to experiment with different writing angles to achieve a thicker stroke.

Included with the pen is a soft ink refill in black, measuring a standard 0.7 mm.
