Berlin Pendant Light

Designer: **Christophe Pillet**

Manufacturer: **Oluce**

£3,150

DESCRIPTION

Berlin Pendant Light by **Christophe Pillet** for **Oluce**.

The Berlin series of contemporary lights by Christophe Pillet for Oluce is a sophisticated lighting collection designed to elevate any interior space.

The Berlin Pendant Light features two discs of decorative wired glass encased in elegant, thick metal ring diffusers with an anodised brass or matt black finish. With the ability to rotate each of the four diffusers 360°, this pendant light allows the user to interact with the light to create the desired lighting experience.

Also available as a **wall/ceiling light** and a **floor light**.
