

Fresnel wall light, grey - Ex-Display

~~Was £235~~ Now £176

## DESCRIPTION

Fresnel wall light, grey by Joe Colombo for Oluce.

**Ex-display item reduced by 25%**

**£235 -25% now £176**

**Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.**

*This item is a one-off clearance item to be sold on a first-order, first-served basis.*

Small but perfectly formed, the Fresnel light requires only a 10cm diameter space on a wall or ceiling. The lamp glass is shaped as a Fresnel lens which ensures the light emitted is singularly soft, deep and diffused.

The light's highly protective lacquered aluminium casing makes it suitable for both indoors and outdoors and particularly well-suited to damp environments. Joe Colombo designed the Fresnel light to be as unobtrusive as possible - a timeless and functional object which sits happily in any setting.

IP44 rated.

Suitable for use both indoors and outdoors.

**Please note: pictures do not depict the grey finish and are for reference only.**
