DESCRIPTION

Medusa Table Lamp by **Quaglio Simonelli** for **Oluce**.

The Medusa Table Lamp is a unique glass lamp by designers Andrea Quaglio and Manuela Simonelli for Oluce. Consisting of a coloured metal dome suspended inside a glass cylinder, the Medusa inverts the typical relationship between support and lampshade. A sleek glass rod holds the shade, and the cable descends from the centre of the diffuser through to a small gap in the bottom. This eye-catching design offers a crisp and refined table light for any space.
