

Tokyo chair, 1985

Designer: **Rodney Kinsman**

Manufacturer: **OMK 1965**

£360

DESCRIPTION

Tokyo Chair by **Rodney Kinsman** for **OMK 1965**.

Originally designed in 1985 for London's exclusive Groucho Club, the Tokyo chair boasts an elegant, linear frame, enhanced with curve details at the seat, the backrest and between the legs.

The chair has been crafted from powder-coated tubular steel, with a moulded polyurethane backrest and plywood seat panel, making for a comfortable side or dining chair for your space.

DIMENSIONS

43w x 44d x 71cmh

MATERIALS

The Tokyo barstool is made from powder-coated steel with a polyurethane backrest. It has a black satin-finished plywood seat panel with a clear lacquer.
