

Trestle Table, 1978

Designer: **Rodney Kinsman**

Manufacturer: **OMK 1965**

£490

DESCRIPTION

Trestle Table by **Rodney Kinsman** for **OMK 1965**.

Conceptualised in 1978, the Trestle table is a simple and sophisticated design. It showcases a tabletop, available as either a glass top or laminate top, elevated by two sets of powder-coated steel legs.

Inspired by Victorian wired safety grates, the two tabletop options display a neat grid pattern on their surfaces.

The powder-coated steel legs are available to purchase separately also.

DIMENSIONS

168w x 76.2d x 72.8cmh

MATERIALS

The table is available with two table top options: Laminated safety glass or laminated particle board.

The legs are made from powder-coated steel.
