

Omkstak Classic chair, 1972

Designer: **Rodney Kinsman**

Manufacturer: **OMK 1965**

£352

DESCRIPTION

Omkstak Classic chair by Rodney Kinsman for OMK 1965.

Designed by Rodney Kinsman in 1972, the Omkstak chair is an icon of both British design and the hi-tech design era.

The seat, which honours the materials and technologies used in its manufacture by uniting form and function, is included in the permanent collections of twentieth-century furniture at V&A, the Design Museum in London and the Philadelphia Museum of Art.

DIMENSIONS

55.5w x 49.5d x 75cmh

MATERIALS

A chrome-plated tubular steel frame supports a seat and back made of pressed steel panels with emphatic circular perforations.

Available in jet black, tomato red, mint green and signal yellow.
