

Nordsø Bench

Designer: **Friis and Moltke**

Manufacturer: **Onecollection**

£1,820

DESCRIPTION

Nordsø Bench by **FRIIS + MOLTKE** for **Onecollection**.

The Nordsø bench, available with or without a backrest, marries form and materials in a design which has been stripped down to the essentials. It features rounded edges with gently shaped details that bring softness and warmth to the robust seat.

The benches are part of a wider collection designed by FRISS + MOLTKE in 1976. Onecollection describes it as an "unpretentious showstopper." Its simple design and subtle details make a statement in any space without being too ostentatious.

DIMENSIONS

200/250w x 97.5d x 72cmh

MATERIALS

The Nordso range is crafted from either 100% FSC- or PEFC-certified Swedish or Finnish pine.

Suitable for indoor use only.
