

## Nørgaard Armchair

Designer: **Friis and Moltke**

Manufacturer: **Onecollection**

£1,108

### DESCRIPTION

**Nørgaard Armchair** by **FRIIS + MOLTKE** for **Onecollection**.

The Nørgaard armchair, designed by FRIIS + MOLTKE in 1979, is defined by its simple design that highlights its meticulous craftsmanship and high-quality materials.

The frame is made from a beech species native to Northern Europe, ensuring a short production distance in Denmark. It is then stained and painted and complete with a woven seat made from 90% cotton, available in either black or natural colours.

### DIMENSIONS

54w x 51d x 45/77cmh

### MATERIALS

The Nørgaard range is crafted from stained and painted beech with woven seat cord in either black or a natural colour.
