DESCRIPTION

Åkande side table by **Jonas Lyndby Jensen** for **Onecollection**.

Åkande side table is a minimalist solid wood side table with a single pillar leg. Derived from the Danish word Åkande, which means Water Lily. The side table features intricate detailing around the edges, resembling a water lily leaf, giving it a soft appearance. Designed by Jonas Lyndby Jensen, a former winner of the Finn Juhl Prize, the series, includes two stools, one side table, and a desk. Great for any modern office, pair it with the rest of the Åkande collection from Onecollection.

The use of hardwood and its organic form offers a great degree of tactility, warmth and sensuousness. Available in solid oak or walnut.

DIMENSIONS
