

## Opala table light

Designer: **Hans Wegner**

Manufacturer: **Pandul**

£1,141

## DESCRIPTION

**Opala table light** by **Hans Wegner** for **Pandul**.

The Opala table light was one of three Opala lamps originally designed for Hotel Scandinavia in Copenhagen. The pendant was sold for many years both for offices, public buildings, private homes, and large projects like the Churchill College in Cambridge designed by architect Henning Larsen.

The mini Opala table light is suitable for use as a bedside table lamp, while the midi size is ideal for use as a desk lamp.

Standard model equipped with a dimmer switch on cord. A non-dimmable switch is available upon request for use with fluorescent bulbs. Please **enquire** for details.
